

VENTILATION GRILLES IN LACQUERED ALUMINUM

Quick, easy installation with side screw fixing

IMS ventilation grilles stand out for their finish and practicality. Our robotic, automated production lets us manufacture ventilation grilles designed for quick, easy installation with no visible fasteners.

Installing IMS ventilation grilles is very simple: no drilling and no masonry work are required. We work to meet our customers' needs in the simplest and most cost-effective way possible.

Our grilles are made from high-quality materials that ensure the product's durability and strength. They withstand the most common forms of degradation, such as corrosion and oxidation, and remain serviceable for many years.

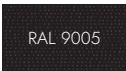

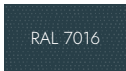

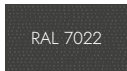

They are a high-quality, made-to-measure product at a competitive price. They can be used to ventilate large areas, lift shafts, light wells and service shafts, garages, to conceal air-conditioning units, and more.

ACCESSORIES

The grilles can optionally be manufactured with the following accessories:

- With mounting plate for fixing between bricks
- Bird mesh 15 x 15 mm or 3 x 10 mm mesh
- Dust filter

MATERIALS AND COLORS

Natural aluminum	
Lacquered aluminum Anthracite RAL 7016	
Lacquered aluminum Gray RAL 7022	
Lacquered aluminum Black RAL 9005	
Lacquered aluminum White RAL 9003	
Textured aluminum 1.5 mm	   
Stainless steel AISI 316, polished	

Alloy 3005 H44 under EN 573-3. Textured finish: more scratch-resistant.

*Any RAL color, textured finish only (optional, on request)

HOW TO ORDER

1. QUANTITY (units)

2. DIMENSIONS (actual wall-opening size, no clearance)

3. CHOOSE MATERIAL

☐ Polyester aluminum 1.2 mm

☐ Textured aluminum 1.5 mm

☐ Black RAL 9005

☐ RAL 7016

☐ RAL 7022

☐ Natural aluminum

☐ White RAL 9003 / 9016

☐ Any RAL color*

☐ AISI 316 stainless steel,
polished (0.8 mm thick)

4. ACCESSORIES

☐ Mounting plate between bricks

☐ Bird mesh 15 x 15 mm

☐ Mesh 3 x 10 mm

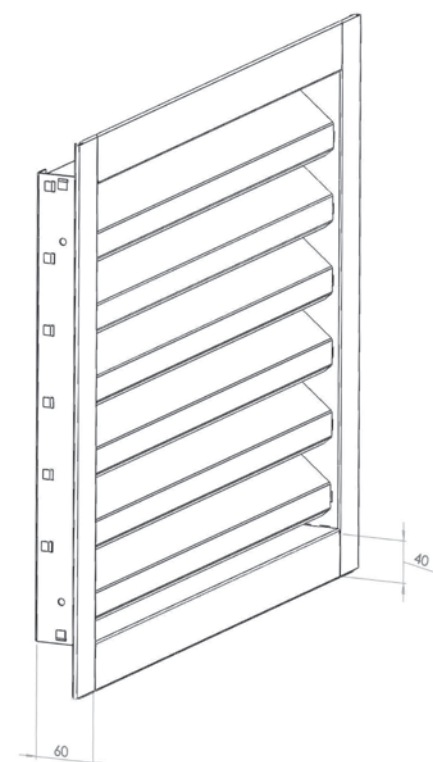

☐ Dust filter

With mounting plate
between bricks

Bird mesh

THE PERFECT MATCH FOR VENTUM

IMS ventilation grilles pair perfectly with VENTUM, our chimney cap and ventilation terminal, also made to measure in aluminum.
